PARTNERS IN SCOUTING AWARD

Our Scouts and Scout units rely on support from our community to provide a successful program. Their contributions of time, manpower, facilities, and funding often are behind the scenes. These people, businesses, organizations and groups provide support and encouragement for our Scouts and Scouters. We would like to recognize these partners who have generously supported our Scouts, Scouters and events in the Mustang District. The Partners in Scouting Award will honor the most outstanding Scouting partner for the year. Please nominate these organizations for the Partners in Scouting Award, so that we may recognize their outstanding support.

The objectives of this award are as follows:

1. **to encourage excellence** in Relationships between the community and the Mustang District
